**IUCN/ TILCEPA & IIED INVITE REPRESENTATIVES OF INDIGENOUS PEOPLES,
COMMUNITIES, AND CBD PARTIES TO EXPLORE
IMPLEMENTATION OF ELEMENT 2 OF THE CBD PROGRAMME OF WORK**

In this side event we will:

- Review the governance innovations that emerged from the 2003 World Parks Congress in Durban;
- Provide examples of protected areas (PA) governance policies and practice, including (1) recognizing Community Conserved Areas and Protected Landscapes of indigenous peoples, (2) supporting co-management learning networks, and (3) examining processes that take advantage of multiple IUCN PA categories and governance types to strengthen national PA systems; and
- Introduce participants to existing guidelines, manuals, collections of papers, and case examples that can support the effective implementation of Element 2.
